Advanced IELTS Preparation

CRICOS Course Code 084918C
At Australian English Language School, we are all about providing the best possible study environment. We strive to achieve this through our dedicated and supportive staff, the most effective teaching methods and state-of-the-art facilities. Most importantly, you are not just a student – you are part of our family of the language.

About us

Why Australian English

Advanced IELTS Program

- Highly qualified professionals
- Weekly practice tests
- Exit band score of 7.0

Great location in the heart of Brisbane easily accessible by public transport!

New, modern facilities with up to date technology in a safe environment.

Studying IELTS Advanced

In our classes, we don’t just practice IELTS exercises, check scores and talk about general tips and strategies. We go much further than this. We analyse the work of each student, giving advice on how to successfully meet each part of the IELTS marking criteria. We then help you practically apply that advice, especially areas of weakness.

Course Level

12 weeks course
20 hours face-to-face in class + 5 hours of self-study per week
Start date: Every Monday
